Dear Sir:

We have been referred to you by the Franklin Fourth Street National Bank of Philadelphia, as a dealer in old coins.

We have a customer who would like to sell four $1.00 gold pieces, two of the year 1852, one of 1849, and one of 1851.

Will you please advise what you would pay for them? Also, if you have a book on old coins, would be pleased to have you send us one so that as we are asked we can give some data on coins.

Thanking you for your attention, we are

Yours very truly,

Bert E Kunkle, Cashier.
